

Gender Studies Programme

Overview

The collection's primary function is to support research and teaching programs in the area of gender and sexuality based on the research interests of the Gender Studies Programme. In addition the collection supports affiliated researchers in women studies and sexuality studies from different fields of psychology, sociology, anthropology, cultural and religious studies, social work, translation, history and linguistics, particularly related to gender and sexuality issues in Asia and Hong Kong.

Subject areas supported

Subject areas include: Contemporary women's issues, feminism and civil society, women and literature, gender and law, psychology of gender, media and gender representation, gender and family, gender and work, gender and history, sexuality studies, lesbian, bisexual and gay studies, transgender studies, men's studies, masculinity studies, sexual rights advocacy, and queer studies etc.

Research focus areas include: Gender and sexual issues of Hong Kong and Chinese societies

The department offers:

- Bachelor of Social Science in Gender Studies (2-Year)
- Undergraduate Minor Programme in Gender Studies
- PhD in Gender Studies
- Master of Philosophy (M.Phil.) in Gender Studies
- Master of Arts (M.A.) in Gender Studies
